Dropper bottles and Euro Drop caps – the perfect match.

Carow dropper bottles have an 18 DIN neck designed to accommodate Euro Drop caps.

Select the ideal bottle. Choose a vertical or horizontal dropper insert. Pick a cap style and your all-in-one dispensing system is complete.

Caps are available in:

Regular

Tamper Evident

Push Turn

Push Turn / Tamper Evident

Essential oils and extracts display beautifully.

Improve product integrity and showcase your aromatherapy products with glass and PET bottles from Carow.

Oxygen Barrier. Glass bottles provide the ideal oxygen barrier for sensitive products, such as oils, tinctures and extracts.

Superior Compatibility.

Glass also provides an inert packaging material, making it compatible with almost any product that needs a container.

Recyclable. All glass and PET bottles can be recycled.

Enhance your brand image with the current line of dropper bottles offered by Carow:
