

DISPENSING PRODUCTS Proudly Made IN THE USA

Carow Packaging manufactures many products in the USA, including EuroDrop® dropper caps, dropper pipettes and adaptor caps. Domestic products reduce lead times to as little as a few days or weeks instead of months, improve quality, lower costs and provide greater supply-chain reliability. Here's a closer look at how we dispense success for your business.

★ 18 DIN DROPPER PIPETTES

1940

Louis Pasteur invented the dropper pipette

Carow stocks printed dropper pipettes that feature certified food-safe ink

★ ADAPTOR CAPS

10 MILLION

Bacteria on the average person's hand; adaptor caps prevent product contamination

Carow has semi-custom adaptor cap options available

70%

Maximum amount of recycled glass cullet used in Carow glass bottles

16.88 BILLION

Projected growth of the North American Plastic Caps and Closures market by 2029, up 2.94% from \$14.61 billion in 2024

0

Companies with more technical packaging expertise than Carow

★ EURODROP® DROPPER CAPS

#1

Carow is the first to bring EuroDrop® caps to the U.S. and we are the only U.S. manufacturer

100% EXCELLENCE

EURODROP® CAPS provide better sealing, no insert corrosion and precise measuring for essential oils, tinctures and extracts

ANCIENT EGYPTIANS were the first to use a tool to dispense drops; they used clay vessels with spouts to apply eye drops

DROPPERS are more accurate for medication dosing than standard household spoons

We offer a range of different Dropper Cap orifice reducer vertical inserts so you can find the perfect flow rate for any liquid viscosity

Child-Resistant Horizontal

30

Categories of medicine and household products that legally require child-resistant caps

The dexterity needed for adults to open child-resistant caps

Carow's FDA-certified child-resistant caps are tested not only for child resistance but usability for seniors

Tamper-Evident Horizontal

Tamper-Evident Vertical

UNLIMITED

Color options of Carow tamper-evident caps

Child-Resistant / Tamper-Evident Horizontal

1967

Dr. Henri Breault invented the Palm-N'-Turn, the modern child-resistant cap

Child-Resistant / Tamper-Evident Vertical

2022

Carow introduced certified child-resistant and tamper-evident EuroDrop® caps

#1

CAROW IS THE GO-TO PACKAGING SOURCE for some of the top industry performers in the essential oil, beauty and health & wellness markets
